

THE WILDERNESS COLLECTION

INSPIRED BY NATURE

ORTAL®

ABOUT

Deeply inspired by nature, Ortal has taken the best of the great outdoors, and channeled it to create a new standard of fireside experience.

The Wilderness Collection combines cutting-edge log technology with an idyllic, soothing look that invites quiet contemplation and rich, warm memories.

THE WILDERNESS BURNERS

At Ortal, we are captivated by the beauty of the flame. In designing Ortal's new Wilderness Burner technology, our R&D team set out to create a flame that blazes from the logs with the look and feel of a genuine campfire. Through several trial models, we've brought this technology to perfection, delivering a luxury fireplace experience like no other.
